The Mission

Are you an early riser who loves the smell of woodsmoke, crisp winter mornings, and being the hero who keeps the club warm?

The Kimberley Nordic Club is looking for cheerful, dependable volunteers to join our **Stoker Squad** for the upcoming ski season! Your mission, should you choose to accept it: bring our three core buildings—the **Lodge**, **Welcome Centre**, and **Waxing Hut**—to life each morning before staff, and the first skiers arrive on the trails.

What You'll Be Doing (7:00 AM – 8:00 AM)

- **Fire Up the Warmth:** Light and stoke wood fires in the Lodge, Welcome Centre, and Waxing Hut.
- **Fuel the Flames:** Keep firewood staged and ready inside each building for daytime users.
- **Set the Vibe:** Enjoy the peaceful, quiet magic of the trails at sunrise while making KNC cozy for the whole community.

Note: This role is designed to be shared! Whether you want to cover one morning a week, set up a rotating schedule with friends, or take a dedicated block of days, we'll build a schedule that works for you.

Perks & Benefits (Why You'll Love It!)

- 📄 **Free Individual KNC Season Membership:** Enjoy unlimited access to our trail network all winter long!
- 🏂 **Program Discounts:** Savings on KNC adult ski programs and courses.

- 🎉 **Volunteer Appreciation Events:** Join our end-of-season social, volunteer draws, and special perks.
- ☕ **Peace & Fresh Air:** Enjoy early morning quiet, beautiful sunrises over the trails, and the best morning coffee spot in Kimberley.

What We're Looking For

- **Early Birds:** You love starting your day early and enjoying the quiet morning hours.
- **Pyromaniac (The Safe Kind!):** Comfortable building and lighting wood fires safely.
- **Reliability:** Dependable and punctual; our skiers count on that cozy warmth when the doors open!
- **Community Spirit:** Enthusiastic about KNC and contributing to a welcoming atmosphere for members and visitors.
